

IPM WARRANTY

International Pump Manufacturing, Inc (IPM) warrants the equipment it manufactures to be free of defects in material and workmanship for a period of one year from the day of the sale by an authorized IPM distributor to the original purchaser. IPM will at its discretion repair or replace any part of the equipment proven to be defective. A condition of the warranty is the prepaid return of the equipment to an authorized distributor of IPM who shall provide verification of the warranty claim. IPM will repair or replace, free of charge, any parts found and verified to be defective. Transportation will be prepaid for the repaired or replaced parts under warranty. Should the inspection of the equipment not reveal any defect in the material or workmanship, repairs will be made, at standard charges, which include parts, labor and transportation.

The warranty does not apply to, nor will IPM be liable for, damage, wear, or malfunction of equipment cause by improper installation, misuse, abrasion, corrosion, negligence, accident, tampering, lack of, or improper maintenance, or by substitution of non-IPM parts. Additionally IPM shall not be liable for accessories, components, structures, equipment or materials not supplied by IPM. The warranty does not apply to, nor will IPM be responsible for, the improper operation, maintenance, design, manufacturer, installation of components, accessories, equipment or structures not supplied by IPM.

The warranty is void unless the Warranty Registration Card is properly completed and returned to International Pump Manufacturing, Inc. within ONE month of the date of sale.
